

# WELCOME TO OUR NEIGHBORHOOD

We're glad you're here.

You have chosen to live in a residential neighborhood alongside elderly, long-time residents, young families, homeowners and renters such as yourself. Please help us to maintain a quality of life that is comfortable for everyone.

Like all of us, it is your responsibility to help keep our neighborhood safe, quiet and clean at all times, as well as to maintain your property by shoveling in the winter, mowing in the summer, pulling your garbage and recycling receptacles up to your property after collection and only parking in designated areas.

**Introduce yourself.** Good communication will go a long way for creating and maintaining peace and civility throughout the school year. On the back of this form is space for you and your roommates to write your names and telephone numbers. We encourage you to fill one out for every household in the neighborhood. Contact me if you'd like additional copies for that purpose.

**I am a proud member of Campus Neighbors.**

*Campus Neighbors is a community organization working to maintain and promote healthy relationships between permanent residents and students. Learn more at [CampusNeighbors.org](http://CampusNeighbors.org).*
